

# JOSHUA LEBOEUF

## FULL STACK WEB DEVELOPER

### Personal Profile

Full Stack Web Developer with a passion for learning. Building computers as a hobby, now taking that love for technology to a new level. Excellent problem solver with the dedication needed to get things done. Ability to look at things from a different perspective. Extremely inspired to learn, Always looking for a challenge to expand my knowledge and skills. During my time in class I led many others to answers they thought they would never find.

### Technical Skill

HTML5, CSS3, React, Angular, JavaScript, ES6, JQuery, Node.js, Materialize, Bootstrap, Firebase, MySQL, Sequelize, Git, Github, Command Line, Heroku, Handlebars, Express, Docker, NoSql, MongoDB, Mongoose, VsCode, Visual Studio, IntelliJ and many many more to come.

### Work Experience

#### Teachers Assistant

Trilogy Education, Portsmouth, NH 2019 - Present

After taking my bootcamp I was so involved in helping others achieve results they wanted that I was asked to come back as a Teacher Assistant. Responsible for mentoring students to become full stack dev, debugging and grading homework, and just being an overall supporting figure.

#### Meat Cutter

Danvers Butchery, Danvers, MA 2017 - Present

Producing steaks to specific specifications. Keep track of 10,000 plus units of inventory daily for future orders and ensure a clean environment according to USDA regulations.

### Past Education

#### University of New Hampshire

Full Stack Web Development Bootcamp

June.2018 - Dec.2018

An intensive 24-week long boot camp dedicated to designing and building web applications. Skills learned consisted of HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handlebars JS, & React Js.
